

Sharpsafe® Protected Access & HTM 07-01

How does it work?

Segregate Sharps & Non-Sharps Waste

Using a Sharpsafe® Protected Access product limits the amount of non-sharps waste being disposed of into a sharps container, helping to reduce the cost of disposal.

NON-SHARPS WASTE

Dispose of into a WASTE SACK

In accordance with your waste policy.

Dispose of SHARPS into an Protected Access container

In accordance with your waste policy.
