

# Sharpsafe® Protected Access & HTM 07-01

## How does it work?

### Segregate Sharps & Non-Sharps Waste

Using a Sharpsafe® Protected Access product limits the amount of non-sharps waste being disposed of into a sharps container, helping to reduce the cost of disposal.

**Dispose of SHARPS into an Protected Access container**  
In accordance with your waste policy.

**Sharpsafe®**  
designed to protect

**FRONTIER**
